## Ultra Stack and Hang Bins

Organize your inventory with strong injection molded plastic bins. Front, back and side grips for easy handling. Built in rear hanger allows bins to hang from louvered panels. Optional clear plastic window increases capacity, provides quick view of contents. Dividers maximize flexibility and keep contents organized. Wide stacking ledge and anti-slide lock keep stacked bins steady and prevent forward shifting. Waterproof bins resist rust and corrosion. Large molded slots for ID labels. Autoclavable up to 250°F and resistant to extreme cold. Available in Blue, Yellow, Red, Green, Ivory and Black. Please specify color.

- Available in 17 sizes.
- Bins are made from heavy duty, virgin, high density FDA approved polypropylene / polyethylene .
- Large multiple label slots provide easy label insertion and part identification.
- Extra wide stacking ledge assures stability for high stacking.
- Reinforced design adds strength and prevents spreading.
- Will not rust or corrode, unaffected by weak acids and alkalis, and are waterproof.
- Interchangeable with other manufactured brands of bins.
- Full width hanger supports bin when hanging from louvered panels or rails.
- Reinforced rib design adds strength and prevents spreading.
- Extra-wide stacking ledge for secure stacking.
- Large front label slot allows larger bar code scanning and content identification.
- Anti-slide stop prevents stacked bins from shifting forward.
- Optional dividers increase storage options.
- Optional windows maximize storage capacity, prevent spillage and protects parts from dust and dirt.
