

Terms & Conditions

Minimum Order:

\$35.00 minimum order – we accept MASTERCARD, VISA or a company check for pre-payment. Open account status is available upon credit approval.

Pricing:

Prices are subject to change without notice.

Shipments:

Shipments of orders will be made in whole or part contingent upon our stock on hand. Normal freight charges are applied to both original and backordered shipments. A shipment becomes the property of the consignee when accepted by the carrier (except for UPS shipments) and our responsibility ceases at that time. Claims for loss or damage in shipment should be filed with the carrier. UPS claims should be made directly to us within 15 days of shipments.

Special Orders:

Special Orders of non-stock items are made at the customer's request (certain minimums apply) and a 50% deposit may be required. Special ordered items are not returnable. All items must comply with manufacturer's terms of sale and are subject to any charges for alterations or cancellations of the order. Shipping dates on special ordered items are based on the factory's standard lead-time, but cannot be guaranteed, nor can any estimate be considered legally binding. Freight will be charged.

Orders:

We reserve the right to reject all or any part of any order that may not be acceptable to us.

Returned Goods:

ALL RETURNED GOODS REQUIRE ADVANCE RETURN AUTHORIZATION. Manufacturers' defective goods are returnable within thirty (30) days from date

of invoice, excluding electrical items, unless otherwise specified. Credit will not be issued on merchandise not listed in the current catalog, purchased more than six (6) months prior, or is out of original packaging or has price tickets affixed. We are not responsible for unauthorized returns. All other returns will not be acknowledged. A 20% restocking charge, plus any freight costs, will be charged for goods ordered in error by the customer. All items must be in original factory packaging with no price tickets affixed. All defective electrical and mechanical access products are repaired or replaced at the manufacturers' option.

All product warranties for products sold by Christy Commercial Hardware are provided solely by the product manufacturer.
